Old Business:

New Business:

- The Ditch issue will be litigated (hwy 30)
- MnDot announces availability of \$6.3 M in grants for local community projects. Nick and Henry will follow up.

- MSP by Nick and Bonnie and to approve the construction at the Korver property.
- Letter from Deb Lee was read by each council member as per her request. There was little discussion.
- There was discussion about adding work to the mowing position to include some maintenance jobs as well.

- Dale had looked at Greenwood nursery at Marshall and large size trees would be \$350 each and that is not a planted price. Dale will check with Barstad for pricing and planting.

MSP to adjourn by Henry and Bonnie .

Respectfully submitted by Judy LaBoda, City Clerk.
