- Flood Plain Resolution – MSP by Mayor Like and Dale to adopt a resolution that states the City will comply with the County Flood Plain for FEMA and who will be responsible for any issues that occur.
- Dean Larson- no additional news to report. Dale had contacted Dean asking him if he would like the City to trim up the tree in his front yard and he has chosen to do that himself.
- Henry- Update on learning power backup from Bob Wornson – nothing has occurred.
- Bathrooms- no update. The roof needs to be repaired and Oslund Construction will prepare an estimate for that repair. Bonnie stated there is also an area in the flooring by the patio window that is rotting out. Rhonda Wynia has offered to pay for the paint inside the bar but not for the labor. Two of the coolers have 'died'. Myron will get estimates for the repairs or replacement.
- Flushing of the holding tank was completed.
- Running for office – Nick and Henry are up for re-election. Dale has suggested that his son-in-law would be willing to run for office.
- Mike Zinnel's house- Rick has visited with the Fire Department and they are waiting for the right weather conditions to burn it.
- The meter reader will be returned from Ferguson in the next week. It will once again have to be updated with the correct routes.
- Judy will get an ad in the paper for the lawn mowing position.

New Business:

- Casey Jones State Trail – looking for the City to agree to participate in this Resolution. MSP by Nick and Bonnie to adopt this resolution.

- Money from the Wild Game Feed people suggestions- to repair the north door by the kitchen; Southeast corner from the slab needs a handrail. Rick asked Oslund Construction about an estimate for the slab and handrail. Additionally, the area behind the bar where the can crib is and the recycling if it could be partially enclosed.
- Dale is asking for the areas on the trees that have a fungus to be cleaned up; we'll ask the person that gets hired to maintain the lawn mowing to do this.
