Old Business:

- Hadley Elevator has no rock to fill in the alley behind the Liquor Store; we'll have to revisit this in the spring when it's thawed.
- Bids for A/C – we'll need to ask Myron if he contacted anyone regarding end of year sales.
- Streets? County Road 29 is not slated for repair and replacement until 2020 or 2022. This will include removing trees and replacement trees. This could help the city with repairing the streets at that time as the asphalt crews will be in the area and we could get bids from them for repairing the streets in town.
- Dale and Gordy have discussed blowing the snow on Summit Lane and Jeff Boerboom will blow the snow on Summit Lane.
- Dale will talk to Vickie about any needs for cleaning.

New Business:

- Inventory 1/1/19 @ 9 AM Rebecca will attend.
- Fire Contract proposal for 2019 @ \$997.64.
- Workers Comp – Company Changed from RTW to Superior Point.
- Judy will move savings account dollars to short term CD's.

MSP by Dale and Henry to pay the bills

MSP by Henry and Bonnie to adjourn the meeting
