

FALL IS IN THE AIR

With the fall season upon us, the City of Hadley encourages city property owners to utilize the brush site, located at the north end of Main Street (across the street from Hadley Farmers Elevator office) when cleaning up.

Please be considerate of others and note the following guidelines:

Items Allowed

- Tree Branches & Sticks
- Leaves
- Grass Clippings
- General Yard Waste
- Garden Waste

Items NOT Allowed

- Household Trash
- Recyclables
- General Junk Items
- Furniture
- Demolition/Remodeling Debris

NOTICE

Recently, misuse of the city brush site has been observed and inappropriate items have been left behind. The brush site is under 24-hour surveillance and those found violating the guidelines will be prosecuted.

If misuse continues, the City of Hadley may have to close the site or ultimately risk losing this benefit for all property owners, as a result of DNR enforcement.

Questions?

cityofhadley@gmail.com.

Thank-you for your cooperation!

We ask that you take advantage of this opportunity to clean up your property and beautify the City of Hadley.

Happy Fall Y'all!
