

What is the REACH Team?

The REACH Team is a group of incredible people that have discovered their gifts and passions and are actively serving in them. From creating a comfortable environment by serving on a Greeter Team, to leading the next generation to Jesus by serving on the PULSE Student Ministries Team, to working with the Sound Team or Visual/Audio Team to create an presentation of excellence for any event, to tearing down barriers across our city by leading a LIFE Group—we are a group that is advancing the Kingdom of God in love.

Volunteering at Word of Life Ministry

Do you want to serve as part of our REACH Team of volunteers?

Most of us want to make a difference in this world. We want to make an impact on our communities and be a part of something bigger than ourselves. God has gifted each one of us with a unique set of skills & talents. Jesus himself said that He did not come to be served, but to serve others. When you make an eternal investment by volunteering your time & talent at your local church, you will discover the key to unlocking a life of influence & change.

1 Peter 4:10: *"Each one should use whatever gift he has received to serve others, faithfully administering God's grace in its various forms".*

There are a multitude of areas where you can use these gifts to serve your church family here at WOLM. We are including descriptions of the REACH Teams below for your reference.

Please keep in mind that ALL teams do require you to complete the CONNECT GROW Track. Some teams may even require background checks, and/or may have training & skill requirements.
