

NEXT STEPS RESOURCE

Be sure you know the condition of your flocks, give careful attention of your herds.
Proverbs 27:23

How do I measure if group members are moving one step?

ASK! Make it part of your discussion whether in a group setting or individually. Also, encourage everyone in your group to complete the [NEXT Step Survey](#) at the END of the Fall Session. Here are some great questions to guide your conversation:

- How did you get connected to this **LIFE Group**?
- What are you most looking forward to in the group?
- Do you attend Word of Life Ministry?
- What brought you to World of Life Ministry?
- Have you ever been part of a **LIFE Group** before?
- What do you feel like God has been doing in your life lately?
- What areas of your faith are you hoping to grow in the coming months?
- What are you focused on in your life right now?
- Have you been through the Word of Life **GROW Class**?
 - *If so, do you remember what your personality type is or what your spiritual gifts are?*
 - *If not, would you be interested in attending?*
- Have you every served on the Word of Life Ministry **REACH Team**?
- How can I pray for you?

What are some NEXT Steps I can share with my group members?

Everyone in your group will be at different places spiritually. The vision of helping them 'move one step' is not to get them to do everything at once, it's to help identify where they are spiritually and offer a practical [NEXT Step](#) to help them grow and mature.

- Invite them to attend a Sunday Celebration service with your @ Word of Life Ministry.
- Share your personal story and what god has been teaching you.
- Invite them to a Word of Life Ministry event, conference, etc.
- Share how the **GROW Class** can help them discover their purpose and invite them to attend.
- Invite them to consider being water **baptized**. Invite your **LIFE Group** to be there to celebrate anyone getting baptized.
- Share how you find time regularly to spend with God in prayer, worship, reading scripture, listening to encouraging podcasts & material. Encourage them to make their own plan for time with God.
- If they are ready to take their **NEXT Step** with Jesus, offer to pray with them as they awaken to their true identity in Christ.
- Encourage them to learn more about areas like tithing, Holy Spirit, prayer, identity, kingdom of God, cultural influence & impact by listening or watching Word of Life Ministry past messages by way of archived FB Live videos, audio resources, etc.
