

"WHERE VISION AND TRADITION GROW TOGETHER"

The Oaks Baptist Church Newsletter

JUNE 2026

Music Ministry

Can you believe it is already June? Although swift, our days have been productive, gratifying, and fruitful. The Oaks continues to be inclusive, grace-giving, steady and Holy Spirit led, not consumer led. We are grateful to those of you who, behind the scenes work, plan, pray, and show up consistently. You know who you are!

Our pastor search team continues its work. We are confident that God will send the right leader in His time. In the meantime, let's make our church ready — the attributes listed above are a good place to start!

Summer is a "growth period" signified by the color green. We will allow ourselves a time of activity change, promoting rest, personal growth, and renewal for the upcoming church year. Our Wednesday nights and choir will not be held in the months of June and July. Our prayer time will move to Sunday mornings. We will convene at Chatters Wed. June 17 and Wed. July 22 for supper at 6:00 and prayer meeting at 6:30. We will have a church-wide fellowship luncheon on Sunday, July 19. June 4, 11, & 18 I will host a Word Around the Table in the library. The church will open at 11:45 if you would like to bring your lunch. Bring your bible and a friend, and let's discuss.

My great nephew graduated from GA Southern last week. In my gift to him I encouraged him to "make the world a better place" I leave you with a text from him; we should all strive for his response:

"Thank you for the graduation gift! I love you and I'll try my best to make the world better."

Our best is all God asks!

Rita

WOMEN'S MINISTRY

I truly hope you are able to spend some special time with your family over the next few weeks as life slows down a bit and the days grow longer. May this season bring rest, laughter, and sweet memories.

Although we may be enjoying a little break from some things, there will still be opportunities to worship and serve. I encourage you to stay involved and join us for the opportunities ahead.

July will bring our annual **School Supply Drive**, where we will be collecting items for teachers in our community to help prepare for the upcoming school year. What a blessing it is to support those who pour into our children each day!

So sit back, soak up some sunshine, enjoy time by the water with family and friends—but **DON'T** forget to worship and serve while we wait.

The Bulletin Board

The Senior Adults will not gather the months of June, July, and August. The luncheons will start back in September. We may have a special event a couple of times during the Summer months and you will be notified of them accordingly. Take care and enjoy your Summer.
