## Changes are Great!

Change is something that occurs at all aspects of life. We are constantly in a state of influx. At Pacifica Senior Living Skylyn we are experiencing a Fresh New Look for our community and reshaping the way care is offered. In December of 2016, Pacifica Senior Living took possession of Skylyn. Since then we have been thrilled with the positive changes made for our residents. We have improved the look of the community, care, and overall experience for our residents.

At Skylyn we offer Independent Living, Assisted Living, and Memory Care options. We also have a Skilled Nursing Facility on our campus. This allows freedom of staying with us no matter what your care needs may be. Our community is designed to help our residents live well, surrounded by services, amenities, and programs.

One aspect of change that families and residents don't realize is that even as we age, adapting to new environments can be a trying time. At Pacifica Senior Living Skylyn, we realize the impact of having to move can be overwhelming. We do everything we can to help everyone involved through these transitions. Once a resident has finally made the move and adjusted to a new way of living, they often say they had wished they had done it sooner. Independent Living allows an individual the opportunity to have a maintenance free lifestyle. By offering meals served restaurant style and a maintenance free apartment, this allows time for the things one

loves. No more chores. No more cleaning. No more yardwork. Just time to spend as you wish- with plenty of programs, activities, and outings to choose from.

Whether a little or a lot, in our Assisted Living we offer the help you need for everyday activities of daily living. Our Assisted Living program provides seniors with the supportive services they need to continue living as independently and vibrantly as possible. By providing an individualized assessment, this allows a more tailored approach to your care needs.

Our Memory Care has expanded! Our Memory Care program is a comforting and secure atmosphere designed for your loved one with dementia. With 24 hour staffing available, we provide wellness checks and care centered around the needs of the individual.

Our secured unit offers full life enrichment programs and activities with support and encouragement for your loved one. We are taking reservations now.

Another opportunity is using our Respite program. This is designed for a short term stay in case a family needs a little extra help. Examples of using this program could be if a caregiver has to go out of town for vacation, one person is in the hospital and the other needs extra help in the meantime, or if someone wants to see if they are ready to make the change to another way of living.

We love to show all the great new things that are happening at Pacifica Senior Living Skylyn and have many

events planned. One of our upcoming featured events is the Art Show in our main living room for artist Robert Wilson. This runs February 5-9, 2018. At 95, Robert is an artist and historian. He has won many awards throughout his career and continues to paint at his Woodruff, SC home. We are excited to have him at our community to showcase his art.

We would love to hear from you and answer any questions you may have. The dedicated Sales Team is here to help transition you or your loved one to a new and exciting way of life. Please call 864-582-6838 and ask for the Marketing Department to set up a tour of our great community.

Great visuals for your  
Sunday school, ministry,  
office, or home coffee table.

## DECEMBER'S WINNER

*Ms. Lily Drozdowski of Laurens*

## CONGRATULATIONS LILY!

For as I

*Sharing The Joy*  
*Poetry By Cheryl Murph*

For as I, my life is not close to perfect by all means.  
Do I have a prince charming that rode up on a white horse like in the fairy tales of every young girls dream?  
Are my children so wonderful that they never do any wrong?  
Do I consider myself a saint and claim to be better than thou just because I may write a poem or sing a song?  
My husband is human yet it is his salvation that matters most to me.  
My children have faults but I am proud of the women they have grown up to be.  
For as I, I am not a religious person but I am so thankful I have a personal relationship with my Father above.  
Only he can give me that everlasting unconditional love.  
For as I, it isn't easy to watch what age can do.  
Even the most healthy and beautiful people in the world grow old.  
That is just what God intended for me and you.  
No my life is very far from perfect but I thank Him for giving me His peace that lives with-in my heart everyday.  
And the most greatest blessing as for as I know is,  
I fear not death because weather I stay or weather I go I'm a winner either way!

Remember til our paths cross again, Philippians 4:4-10

## Learn how you can contribute to the future of cancer diagnostics.

If you are between the ages of 35 and 79 and have recently been diagnosed with lung cancer, or if your doctor suspects you may have lung cancer, consider participating in a clinical research study to help in the advancement of diagnostic testing and cancer detection.

This study requires only a single visit where a blood sample will be taken. To participate, you must have CT suspicion of lung cancer or have a recent CT showing a pulmonary nodule  $\geq 4$  mm.

Financial compensation will be provided to qualified participants. Learn more today about how you can participate in this study and help shape the future of cancer research.

## Revolutionary Same Day Tooth Replacement

We can give you the smile you deserve in one easy visit! Using a non-surgical mini dental implant technique (F.I.R.S.T.), it is now possible to permanently replace anything from a single tooth to a full mouth restoration. Your beautiful smile can be seen in 1 or 2 short visits with minimal discomfort, without destroying healthy tooth enamel and without the long healing time or high cost typically associated with conventional dental implants.

## EAT WHATEVER YOU WANT!

### New Mini Dental Implant Technology Enjoy secure eating comfort again.

In one short procedure, you can have a stable denture with no surgical sutures nor the typical months of healing.

The MDI System consists of a miniature titanium implant that acts like the root of your tooth and a retaining fixture that is incorporated into the base of your denture.
