WARNING

Warning

Sharing The Joy
Poetry By Cheryl Murph

The National Weather Station has issued a severe Hurricane warning to those in various parts of S.C and it should make land fall around 3 pm today. Take shelter and if you are in a safe place then please, by all means stay. Our weather channel has been very detailed about how this Hurricane is leaving behind much damage and devastation.

As the small town siren blows time after time, all the people know it is headed closer to their location.

In another town several states away the National Weather Station has issued a warning for severe flooding due to large amounts of heavy rain.

Farmer Jones reported to the local news channels that the water had rose up to his cows cudd and his horses mane!

The sirens blew constantly through out their entire town.

They gave warning after warning for all residents there to evacuate otherwise they could possibly drown.

Mother Nature can not be contained when she decides to show her fury at any given time, in any place and on any day.

She shows no mercy nor sympathy to anyone who may try to stand in her way.

Thanks to all Meterologist that love to study our weather and track Mother Nature to inform us in an emergency what is best for us to do.

They tell us on Television, on the radio and yes of course there apps on our phones.

But just think about this for at least a minute or two.....

when Jesus Christ comes back there will be no sirens, no weather reports and no warning of any kind for me and you.

However are told in Gods word and have been told about his second coming for many, many years.

So there will be no need for any excuses when he comes back here.

He will come in the blink of an eye.

He will take his believers with him up into his Heavenly blue skies.

All unbelievers will be left to face Gods wrath unlike anything Mother Nature has ever unleashed before.

He doesn't beg, he doesn't barter and he doesn't try to make us love him.

Notice there is no knob in the painting of Christ knocking on your hearts door?

The choice is each to his or her own.

WARNING.....it is for certain without Jesus it's hell for the unknown.

Remember til our paths cross again, Philippians 4:4-10
