Silver Haired Legislature Seniors Helping Seniors

By Stephen Luck,
member SCSHL Appalachia Caucus

Did you ever tell yourself "There oughta be a law!" --- Or ask yourself "What's our legislature doing?" about this senior issue or that senior issue? Well, there's someone looking out for seniors, and that's the members of the Silver Haired Legislature. Formed by an act of the SC Legislature in 1999, the SC Silver Haired Legislature (SCSHL) consists of people over 60-years of age in each SC county who pass "Resolutions" that are targeted specifically at senior issues. They then work with our legislators to get the Resolutions turned into laws. Sometimes it's just getting funding for an existing law that has become an "unfunded mandate" --- that's a law with no money to carry it out or with just enough money to fund it until the end of the legislative session --- which our legislature is famous for passing. These active seniors meet in one of ten caucuses in SC that cover the same counties as the ten Councils of Government (COG). Both the SCSHL and the Offices on Aging within the COG report to the Lt Governor's office. Your local SCSHL is the Appalachia Caucus whose members represent the counties of Greenville, Spartanburg, Pickens, Anderson, Cherokee and Oconee. Their next two scheduled meetings are Feb 22 and Mar 22, 2018, at the Appalachian Council of Governments office in Greenville, and are open to the public.

The South Carolina Silver Haired Legislature was created:

- To identify issues, concerns and possible solutions for problems faced by the citizens of South Carolina, with special emphasis on issues related to seniors.
- To make recommendations to the Governor and to members of the SC General Assembly;
- To educate the public on Senior issues
- To encourage seniors to participate actively in public affairs;
- To function on a nonpartisan basis;
- To promote good government for all South Carolinians;
- To hold a Legislative Session annually

Resurrection

Sharing The Joy
Poetry By Cheryl Murph

There once was a man name Jesus that walked the streets of Jerusalem many years ago.
As he covered the desert and mountainside telling the story of his father to those who didn't know.
He was the son of our living God.
The words he spoke in parables became popular through out all the middle east during this time.
Some worshiped him yet many called him a traitor.
People demanded more proof than him turning the water into wine.
Out of those whom had little to no faith, it was his own people that despised him most, "The Jews"
They were convinced Jesus was making a mockery of the only God they had ever knew.
Therefore he was choosen to be beat on, spat on, and crucified.
He hung on that old rugged cross in pure agony as his mother watched, she begged, pleaded and cried.
But that was only the beginning you see,
God had a plan for he knew Jesus would rise again on day three.
The resurrection prove's to us he is Gods only begotten son.
Even to this day at "The Cross",
is where all our battle's are won.
Jesus is now with his father sitting at his right hand.
So always remember on "Easter" the great resurrection took place after the ultimate sacrifice was made for man.

Remember til our paths cross again, Philippians 4:4-10
To read more of Cheryl's work find her on Facebook.

Learn how you can contribute to the future of cancer diagnostics.

If you are between the ages of 35 and 79 and have recently been diagnosed with lung cancer, or if your doctor suspects you may have lung cancer, consider participating in a clinical research study to help in the advancement of diagnostic testing and cancer detection.

This study requires only a single visit where a blood sample will be taken. To participate, you must have CT suspicion of lung cancer or have a recent CT showing a pulmonary nodule ≥ 4 mm.

Financial compensation will be provided to qualified participants. Learn more today about how you can participate in this study and help shape the future of cancer research.
