## Words...

*Sharing The Joy  
Poetry By Cheryl Murph*

Mentally words can hurt, and in all honesty,  
I believe no one likes to be talked about in a degrading way.  
Unfortunately ever since the beginning of time, people that gossip  
were around then, and still are today.  
God picked one woman he saw above all others to be the mother of his son.  
Once she had conceived through the Holy Spirit,  
Joseph's feelings of shame and doubt had begun.  
The mother of baby Jesus would have had her name slandered by men.  
She would have been an adulteress woman plagued by sin.  
Yet God sent one of his angels to Joseph in a dream.  
The angel assured him, things will not be as they seem. (Matt 1:18-21)  
Those that choose to live for Christ should know gossip is no different than  
any other sin.  
So the need to do it must come from their own ugly within.  
I may never be remembered for where I am with Christ today.  
Because some had rather remember the old me and my worldly ways.  
So remember when friends get excited talking about the dirt they dug up on  
someone else, even if it isn't true,  
will be the same dirt they gossip about tomorrow, yet it will be about You!

Remember til our paths cross again, Philippians 4:4-10

### Revolutionary Same Day Tooth Replacement

We can give you the smile you deserve in one easy visit! Using a non-surgical mini dental implant technique (F.I.R.S.T.), it is now possible to permanently replace anything from a single tooth to a full mouth restoration. Your beautiful smile can be seen in 1 or 2 short visits with minimal discomfort, without destroying healthy tooth enamel and without the long healing time or high cost typically associated with conventional dental implants.

### EAT WHATEVER YOU WANT!

#### New Mini Dental Implant Technology

Enjoy secure eating comfort again.

In one short procedure, you can have a stable denture with no surgical sutures nor the typical months of healing.

The MDI System consists of a miniature titanium implant that acts like the root of your tooth and a retaining fixture that is incorporated into the base of your denture.
