Down and Out*Sharing The Joy**Poetry By Cheryl Murph*

As this time of year rolls around Lord,
even the unbelievers will be reminded of your birth.
I have so very many reasons to be thankful for on this earth.
You have always been there for me since the day I ask you into my heart.
And though my sins were many you have loved me from the start.
Yet I must confess I have always struggled with Holiday blues.
Why, I can't really say because I know my troubles compared
to so many others are few.
When gray skies cloud my vision it is only through you Lord
that the darkness is unable to take control.
So I pretend to be Merry and Bright so my true feelings at this time
of year doesn't show.
The less fortunant and those in poverty seem to follow me everywhere I go.
I also miss dearly those I once knew that are no longer here.
I can only hope they are celebrating with you in Heaven Lord,
as your Birthday grows near.
Show me how to be there for the lonely, the bitter and depressed.
Though I have not much money I can look toward your guidance and do my best.
I have always heard, do something for someone else when you,
yourself feels down and out.
So Lord use me and prepare me to be able to give the gift of Love,
for this is what the true meaning of Christmas is all about.

Remember til our paths cross again, Philipians 4:4-10

Revolutionary Same Day Tooth Replacement

We can give you the smile you deserve in one easy visit! Using a non-surgical mini dental implant technique (F.I.R.S.T.), it is now possible to permanently replace anything from a single tooth to a full mouth restoration. Your beautiful smile can be seen in 1 or 2 short visits with minimal discomfort, without destroying healthy tooth enamel and without the long healing time or high cost typically associated with conventional dental implants.

EAT WHATEVER YOU WANT!

New Mini Dental Implant Technology

Enjoy secure eating comfort again.

In one short procedure, you can have a stable denture with no surgical sutures nor the typical months of healing.

The MDI System consists of a miniature titanium implant that acts like the root of your tooth and a retaining fixture that is incorporated into the base of your denture.

Let Us Be Your Second Opinion.
