Who's Birthday?*Sharing The Joy**Poetry By Cheryl Murph*

As the Christmas Season grows closer so does the birthday of the greatest son ever known to man.

I am so thankful to live in a country where his story can be told and we are allowed to praise and worship him the way we can.

This little baby boy that was born over two thousand years ago on Christmas day.

The one that would have to give the greatest sacrifice ever just so us sinners may be saved.

For nine long hours he suffered constantly as he hung on that cross. His dear mother Mary knelt and cried at his feet as she begged the soldiers to spare her loss.

Jesus, you deserve more than I could ever possibly give.

All because of you, the son of God am I able to live.

Not forever on this earth but in Heaven with you.

I will then be made perfect, sin free and my soul a new.

I hope many will remember you Jesus on your special day.

May a moment of silence be held in every heart in America on Dec. 25th and remember the true meaning of Christmas for in your name, Jesus I pray.

Remember til our paths cross again, Philippians 4:4-10

Revolutionary Same Day Tooth Replacement

We can give you the smile you deserve in one easy visit!
Using a non-surgical mini dental implant technique
(F.I.R.S.T.), it is now possible to permanently replace
anything from a single tooth to a full mouth restoration.
Your beautiful smile can be seen in 1 or 2 short visits with
minimal discomfort, without destroying healthy tooth
enamel and without the long healing time or high cost
typically associated with conventional dental implants.

EAT WHATEVER YOU WANT!

New Mini Dental Implant Technology
Enjoy secure eating comfort again.

In one short procedure, you can
have a stable denture with no
surgical sutures nor the typical
months of healing.

The MDI System consists of a
miniature titanium implant that
acts like the root of your tooth
and a retaining fixture that is
incorporated into the base of your denture.
