## How To Wow The One Who Wows You

(NAPSI)—Legend has it that King Henry VIII—the one who famously had six wives—declared the first Valentine's Day in 1537. Ever since, it's been an occasion to show the one you love how much you care with cards, sweets, gifts and flowers. For many, it just isn't Valentine's without flowers.

Some 200 million roses are grown to meet the demand for Valentine's each year. No one knows roses better than 1-800-Flowers.com. "On Valentine's she wants a gift that wows," says founder Jim McCann. "When it comes to delivering a smile to your special someone, don't settle for less. With amazing deals on romantic bouquets and delectable gourmet treats, 1-800-Flowers.com guarantees you'll make a lasting impression on your Valentine. Trust us. We're the official florist of Valentine's Day."

All New Ways to Wow Now  
This year, besides the perennial classics, 1-800-Flowers.com offers new breathtaking bouquets of roses, including lovely long-lasting stems, as well as fresh bouquets with flowers from eco-friendly, sustainable farms and captivating hot pink blooms. What's more, the company expanded its "Wild Beauty" collection of floral gatherings featuring seasonal stems such as Oriental and Peruvian lilies, silver dollar eucalyptus, and thistle, in mixes of textures and rich, vibrant colors—all chosen and combined to delight the free-spirited Valentine.

For these and other truly original flowers and gifts, call 1-800-FLOWERS, go

to [www.1800flowers.com](http://www.1800flowers.com), or visit a retail store.

Flower-Sending Tips & Tricks  
To help everyone to win at the game of love, there are these "shopping hacks":

- Deliver early. Having Valentine's gifts show up before the day shows confidence, and confidence is sexy.
- Chat your way to exclusive deals. Interacting with 1-800-Flowers.com on social media will pay off.
- E-mail and mobile text alerts are a must. Stay on top of things with updates in real time about your order and more.
- Gift smart. When you use SmartGift at 1-800-Flowers.com, your Valentine will be instantly notified via text, e-mail or another messaging platform that something special is headed his or her way—and if it's necessary to provide or change delivery information, it can be done.

For over 40 years, 1-800-Flowers.com has been helping make Valentine's a success, with gorgeous bouquets, decadent chocolates, cuddly teddy bears, romantic keepsakes—pretty much everything you need to make it a never-to-be-forgotten day.

Sharing The Joy  
Poetry By Cheryl Murph

As this time of year rolls around Lord,  
even the unbelievers will be reminded of your birth.  
I have so very many reasons to be thankful for on this earth.  
You have always been there for me since the day I ask you into my heart.  
And though my sins were many you have loved me from the start.  
Yet I must confess I have always struggled with Holiday blues.  
Why, I can't really say because I know my troubles compared to so many others are few.  
When gray skies cloud my vision it is only through you Lord that the darkness is unable to take control.  
So I pretend to be Merry and Bright so my true feelings at this time of year doesn't show.  
The less fortunant and those in poverty seem to follow me everywhere I go.  
I also miss dearly those I once knew that are no longer here.  
I can only hope they are celebrating with you in Heaven Lord, as your Birthday grows near.  
Show me how to be there for the lonely, the bitter and depressed.  
Though I have not much money I can look toward your guidance and do my best.  
I have always heard, do something for someone else when you, yourself feels down and out.  
So Lord use me and prepare me to be able to give the gift of Love, for this is what the true meaning of Christmas is all about.

Remember til our paths cross again, Philippians 4:4-10

### EAT WHATEVER YOU WANT!

#### New Mini Dental Implant Technology Enjoy secure eating comfort again.

In one short procedure, you can have a stable denture with no surgical sutures nor the typical months of healing.

The MDI System consists of a miniature titanium implant that acts like the root of your tooth and a retaining fixture that is incorporated into the base of your denture.
