Smart Phones???

Sharing The Joy
Poetry By Cheryl Murph

I've never seen so much evil in our world as I see today. Many want things right now and they want it their way. So many people rely completely on their Smart phone. I mean really, shouldn't kids in school be told to leave them at home?

Everywhere one goes their cell phone goes as well. It is an addiction, just look around and you can tell. A conversation between two people at a dinner table doesn't happen anymore.

Small children had rather play games on their tablet inside the house than to be outdoors.

And of course there is Google who tells the adults everything they want to know.

We can ask questions while we are at home or on the go. Google has become more popular and sought after than our Lord Jesus Christ is today.

Wouldn't we all be so much better off if instead of talking to Google we bowed our heads to pray?

There is so much one can do on their phone.

And Satan is very busy looking for souls he can devour and call his own.

He is popular on the web and makes his sites easy to find.

He uses sex, lust, greed, envy and hate to condition ones mind.

Can you imagine in just five years where our world will be?

It is hard enough for us who know Christ to not be deceived.

But for the lost, more and more evil is what we will see.

Remember til our paths cross again, Philippians 4:4-10

Revolutionary Same Day Tooth Replacement

We can give you the smile you deserve in one easy visit! Using a non-surgical mini dental implant technique (F.I.R.S.T.), it is now possible to permanently replace anything from a single tooth to a full mouth restoration. Your beautiful smile can be seen in 1 or 2 short visits with minimal discomfort, without destroying healthy tooth enamel and without the long healing time or high cost typically associated with conventional dental implants.

EAT WHATEVER YOU WANT!

New Mini Dental Implant Technology
Enjoy secure eating comfort again.

In one short procedure, you can have a stable denture with no surgical sutures nor the typical months of healing.

The MDI System consists of a miniature titanium implant that acts like the root of your tooth and a retaining fixture that is incorporated into the base of your denture.

Let Us Be Your Second Opinion.
