There Is Hope

Sharing The Joy

Poetry By Cheryl Murph

Have you ever been so down and wished you had
someone you could call?

So often I looked for someone to talk to when my
back was against the wall.

I searched so hard in places both high and low.

Wanting answers so badly I would confide in
strangers I didn't even know.

Antidepressants, counselors and worksheets

I tried time after time.

But I still could not ease the demons of negativity
that controlled my mind.

My final search for freedom took me years to find.

You may not agree with the things my teacher has to say.

But for me, there was no other way.

I finally turned to the one who created me for he
knew me best.

He allows Satan still to tempt me and try me.

And as always I regret yet learn when I fail his test.

If you really want better it requires opening a new door.

Not everyone will find my words to be of truth,

But I knew I no longer wanted the old me anymore.

If you are reading this it just might be your
Heavenly Father wants to reveal to you his plan.

His truth and love never waiver and he will always be
your greatest fan.

When you believe you are at the end of your rope,
and the enemy assures you to just let go.

God promises through him there is always Hope.

You will discover your worst day with him will always
be better than your best day with Satan and his kind.

It is a process and takes time but the greatest gift you
will ever give yourself is a renewed mind. Romans:12-2

Remember til our paths cross again, Philippians 4:4-10

ADVANCED HEARING AID TECHNOLOGY
For Less Than \$200 MDHearingAid®
How can a hearing aid that costs less than \$200 be every bit as good as one that sells for \$2,250 or more?
The answer: Although tremendous strides have been made in Advanced Hearing Aid Technology, those cost reductions have not been passed on to you. Until now...
MDHearingAid® uses the same kind of Advanced Hearing Aid Technology incorporated into hearing aids that cost thousands more at a small fraction of the price.
 Over 300,000 satisfied **MDHearingAid** customers agree: High-quality, FDA-registered hearing aids don't have to cost a fortune. The fact is, you don't need to spend thousands for a hearing aid. **MDHearingAid** is a medical-grade hearing aid offering sophistication and high performance, and works right out of the box with no time-consuming "adjustment" appointments. You can contact a licensed hearing specialist conveniently online or by phone — even after your purchase at no cost. No other company provides such extensive support. Now that you know...why pay more?
Can a Hearing Aid Delay or Prevent Alzheimer's and Dementia?
A study by the National Institute on Aging suggests older individuals with hearing loss are significantly more likely to develop Alzheimer's and dementia over time than those who retain their hearing. They suggest that an intervention — such as a hearing aid — could delay or prevent this by improving hearing!
Take Advantage of our 45-day Risk-Free Trial!
 Hearing is believing and we invite you to try this nearly invisible hearing aid with no annoying whistling or background noise for yourself. If you are not completely satisfied with your MDHearingAid, return it within 45 days for a **FULL REFUND**.
