## Honor All The Moms In Your Life

(NAPSI)—Each year on Mother's Day, many people take the opportunity to remember and celebrate not only their own mothers but all the women in their lives who have provided care and love. When you think about those women who have supported, nurtured and encouraged you, you may be glad to know you can show them how much they mean to you and make them feel special.

To help, 1-800-Flowers.com has flowers and gifts for every mother and mother figure. Here are some ways to show the moms in your life how much you appreciate them:

### Your Kids' Mom

Whether she's been raising the kids for years, she's a brand-new mom or she's expecting your first child, the woman you're creating a family with deserves all the love you can show her. If your kids are old enough, involve them in choosing a gift you know their mom will love. Gifts from 1-800-Flowers.com go far beyond gorgeous flower bouquets. Consider a delicious fruit or gourmet food basket, or an indulgent spa or bath gift set with a plush robe and have Mom feeling good long after Mother's Day has come and gone.

### The Woman Who's Been Like a Mother to You

She might be your stepmom, grandmother, aunt, former teacher or beloved family friend, but you think of her on Mother's Day because she's always been there for you. She's provided a shoulder to cry on and been your cheerleader when you needed a boost to your morale. Consider a personalized gift with a sentimental message just for her, creating a meaningful keepsake that she'll always treasure.

### The Fur Mom

She takes such good care of her fur babies-always making sure they're well fed and pampered, playing with them, showering them with affection and taking them to the vet. Show a great pet mom how much you appreciate the time and effort she spends caring for her animal companions with an adorable a-DOG-able flower arrangement that looks like a cute pooch, or a Fabulous Feline arrangement that resembles an adorable kitty.

*Look like a blooming genius this Mother's Day with gifts of beautiful blooms for all the moms in your life.*

### Your Own Mother

To make the ultimate statement of gratitude and appreciation to your mother, you can browse the luxury gifts at 1-800-Flowers.com, ranging from gorgeous rose bouquets or the Mother's Embrace Bouquet to a delectable Full Bloom Sweet Treats Gift Basket. You can even go all in with your siblings to get your mother something truly special. If you're thinking about jewelry, you can order a personalized Family Circle Necklace engraved with her children's names for a beautiful, memorable gift.

If splurging big isn't in the budget this year, you can still find great gifts, from beautiful flower arrangements and delectable gourmet treats to so much more, starting at just \$25, at 1-800-Flowers.com. And you can save big with an exclusive collection of gifts if you order for early delivery.

If you wait until the last minute, on the other hand, don't worry: There are plenty of options for same-day flower delivery from local florists across the country on Mother's Day. These gift options include bouquets from 1-800-Flowers.com's Local Artisan Collection, which features 16 truly original bouquets from 11 talented florists from across the country.

It's never been easier to find the right gifts to show all the moms in your life how much they mean to you. With both online and phone ordering available, you can trust 1-800-Flowers.com to help you make mom feel loved.

Self-Righteous People

Sharing The Joy  
Poetry By Cheryl Murph

Those of you who read this and chose to disagree, may I say this poem was written through prayer and scripture. A pen, a piece of paper and my handwriting is all that pertains to me. Matt 23: 1-12 tells us about Self Righteous people who lived years ago. However they still are many in our world today. I am learning more and more, when in doubt about anyone or anything look it up in God's word and his truth will show us the way. Our Father tells us plainly we are not to be as the Pharisee's and scribes in Matt: 5-20. How sad some Christians see no wrong following the flesh and actually believe they are by far better than many. Since being a little girl I noticed how all the churches were much more crowded on Easter Sunday. They speak to you in church with a smile yet when you pass them on the street they have absolutely nothing to say! During my young adult life I was push away by self-righteous people. I became bitter, disappointed and rejected. I knew I was living in sin but to be judged so harshly by people who called themselves Christians wasn't at all what I expected. According to the Kings James Version once we become saved we are to become transformed Romans: 12-2. Not to be conformed to this world but to renew our mind daily in all that we do. Once saved I was still the same woman with the same messed up mind. Learning to live for Christ the way his word tells us is a process that takes some never ending time. When a true Christian is saved they long to learn and grow in Christ and their new fruit glows from inside. They accept their faults, admit they still sin and they have nothing to hide. We all stumble and we all fall yet I know from God's word what he expects from me. In Scripture, Matt:5-48 he tells us, be perfect just as your Father in heaven is perfect. I will strive daily for perfection and through my efforts, my Father shall see. After Salvation, if one is determined to follow Christ he then freely places his Holy Spirit to guide ones conscience and restore ones heart. May I feed myself of his word and renew my mind daily in prayer. God is a strict Father and he expects all his children to do their own part.

Remember til our paths cross again, Philippians 4:4-10

## Revolutionary Same Day Tooth Replacement

We can give you the smile you deserve in one easy visit! Using a non-surgical mini dental implant technique (F.I.R.S.T.), it is now possible to permanently replace anything from a single tooth to a full mouth restoration. Your beautiful smile can be seen in 1 or 2 short visits with minimal discomfort, without destroying healthy tooth enamel and without the long healing time or high cost typically associated with conventional dental implants.

## EAT WHATEVER YOU WANT!

**New Mini Dental Implant Technology**  
**Enjoy secure eating comfort again.**

In one short procedure, you can have a stable denture with no surgical sutures nor the typical months of healing.

The MDI System consists of a miniature titanium implant that acts like the root of your tooth and a retaining fixture that is incorporated into the base of your denture.

# ADVANCED HEARING AID TECHNOLOGY

**For Less Than \$200** MDHearingAid®

**How can a hearing aid that costs less than \$200  
be every bit as good as one that sells for \$2,250 or more?**

**The answer:** Although tremendous strides have been made in  
Advanced Hearing Aid Technology, those cost reductions have  
not been passed on to you. Until now...

**MDHearingAid®** uses the same kind of Advanced Hearing Aid Technology incorporated into  
hearing aids that cost thousands more at a small fraction of the price.

Over 300,000 satisfied **MDHearingAid** customers agree: High-quality, FDA-registered hearing  
aids don't have to cost a fortune. The fact is, you don't need to spend thousands for a  
hearing aid. **MDHearingAid** is a medical-grade hearing aid offering sophistication and high  
performance, and works right out of the box with no time-consuming "adjustment"  
appointments. You can contact a licensed hearing specialist conveniently online or by phone  
— even after your purchase at no cost. No other company provides such extensive support.  
Now that you know...why pay more?

## Can a Hearing Aid Delay or Prevent Alzheimer's and Dementia?

A study by the National Institute on Aging suggests older individuals with  
hearing loss are significantly more likely to develop Alzheimer's and  
dementia over time than those who retain their hearing. They suggest that  
an intervention — such as a hearing aid — could delay or prevent this by  
improving hearing!

## TAKE ADVANTAGE OF OUR 45-DAY RISK-FREE TRIAL!

Hearing is believing and we invite you to try this nearly invisible hearing aid with no annoying whistling  
or background noise for yourself. If you are not completely satisfied with your MDHearingAid, return it  
within 45 days for a **FULL REFUND**.
