**A Solider's Thoughts**

by Charlie Bischoff

In honor of Joshua Snapp

Thinking about those who paid the ultimate sacrifice and It's hard not to feel guilty. Last night while having dinner with my wife and daughter we talked about how I couldn't wait to take Macee to her first baseball game tomorrow. Immediately I was overtaken with emotions and saddened as I thought of the ones who didn't make it home and those who did make it home but ultimately lost their battle with unseen wounds of war. I know they would all want us to enjoy today that in doing so we would honor their sacrifice, the ultimate sacrifice.

I wrote this years back and posted it last year.

You wake up to an annoying alarm
 I wake up to a rotor wash, planes, loud booms & or sirens.
 You sit in traffic & bitch cause you're running late.
 I sit in traffic scanning my surrounding anticipating an explosion.
 You eat at a chain restaurant or order food to be delivered.
 I eat a MRE in a guard tower.
 You work from 8-5 and complain about being tired.
 I'm on call 24/7 and my normal day is 8 hours longer than yours.
 You sit at the table with your family for dinner.
 I eat with my brothers in arms & think about home.
 You watch tv with your family on the couch.
 I sit on a computer/phone asking what my family is watching.
 You kiss your loved ones goodnight and cuddle for warmth.
 I say goodnight & ILU over a phone as I lay down in my cot & dream about the day I get to experience your every day.

I do this because I volunteered to do so, so that you, my family wouldn't have to experience what I have, WAR.

NEW 2019 RELEASE ★ 99.9% PURE SILVER ★ WORLDWIDE DEMAND

It's here! The U.S. Mint's newly released, much-anticipated 2019 American Eagle Silver Dollar. Each new-for-2019 coin contains ONE Troy ounce of 99.9% pure silver. As legal tender silver bullion coins, they are backed by the U. S. Government, assuring their content, purity, and intrinsic value. Now by acting fast, you can acquire this world-wide collector-favorite silver bullion coin for just \$49.99*! That's quite a value versus the regular price of \$99.99 (plus \$9.99 shipping and service, plus sales tax). Sculptor Adolph A. Weinman's beloved Walking Liberty imagery adorns the obverse, while the reverse bears John Mercanti's heraldic eagle. In previous years, the U.S. Mint actually ran out of these coins for a while ... and it could happen again. This could be your only chance to claim the 2019 edition of America's bullion treasure in Brilliant Uncirculated condition at this special price, so act now!

REPLY NOW!

How can we offer you this genuine 2019 American Eagle Silver Dollar at an incredible 50% off? This could be your only opportunity to claim a 2019 American Eagle Silver Dollar at this special price. But hurry, this is a limited time offer!
