Olivia

*Sharing The Joy
Poetry By Cheryl Murph*

Olivia was born in 2000 in the beautiful bluegrass hills of Lexington Ky, where she lived with her dad, mom, and baby sister Lilly. She had a tremendous love for Elsa her two year old Thoroughbred filly. The past year she was promised she would get a Smart phone on her 13th birthday. Well, when the time came she did. She stayed in her room constantly and her love for Elsa even faded away. Her parents did not want her to feel left out or not be able to enjoy the things all the other kids had. But they began wondering if getting her a phone was not a good thing but bad. They began to pay more attention to Olivia and discovered she had been talking to a guy that told her he was in middle school. Not only had they talked but they also texted and sent pics to one another. Her dad became furious and so did her mother. The photos were by no means what any parent of a 14 year old wants to see. They took her phone, dared her to talk to the guy anymore and that was exactly how it was going to be. Olivia claimed she loved this guy and he loved her as well. A friend at school let her use their phone and promised not to tell. Olivia made plans with her 23 year old boyfriend as to when and where they could meet. It was on a Friday night around midnight he picked her up at the end of her street. Saturday morning she was gone and 48 hours later she still wasn't home. It's been five years now and Olivia is still no where to be found. When you give a child a Smart Phone it only takes seconds for a predator to come around. If adults can be fooled by the evil that lurks on the dark Web, children surly can. Please remember parents when you give your child a phone you are placing the whole world in the palm of their hand.

Remember til our paths cross again, Philipians 4:4-10

NEW 2019 RELEASE ★ 99.9% PURE SILVER ★ WORLDWIDE DEMAND

It's here! The U.S. Mint's newly released, much-anticipated 2019 American Eagle Silver Dollar. Each new-for-2019 coin contains ONE Troy ounce of 99.9% pure silver. As legal tender silver bullion coins, they are backed by the U. S. Government, assuring their content, purity, and intrinsic value. Now by acting fast, you can acquire this world-wide collector-favorite silver bullion coin for just \$49.99*! That's quite a value versus the regular price of \$99.99 (plus \$9.99 shipping and service, plus sales tax). Sculptor Adolph A. Weinman's beloved Walking Liberty imagery adorns the obverse, while the reverse bears John Mercanti's heraldic eagle. In previous years, the U.S. Mint actually ran out of these coins for a while ... and it could happen again. This could be your only chance to claim the 2019 edition of America's bullion treasure in Brilliant Uncirculated condition at this special price, so act now!

REPLY NOW!

How can we offer you this genuine 2019 American Eagle Silver Dollar at an incredible 50% off? Because we know that once our customers see just one of these stunning 99.9% silver coins for themselves, they'll want to purchase additional coins in the collection at the regular price. This could be your only opportunity to claim a 2019 American Eagle Silver Dollar at this special price. But hurry, this is a limited time offer!
