This Day

Sharing The Joy
 Poetry By Cheryl Murph

This day might be my worst day or it might be my best. Either way I pray for guidance and trust God to do the rest. This day I may get tired and weary but God will give me the strength I need to get me through. On this day I choose to not listen to Satan's lies nor dwell on the bad choices I once made. God has already forgiven me and my sin debt has been paid. This day I am sure to stumble, but grace will catch me if I fall. I will face my enemies with kindness, yet I will stand tall. On this day and the day after I will not be perfect. But I will seek perfection as long as God is by my side. This day will be over before I know it and darkness will come. Then this night I will rest in peace because this day I tried.

Remember til our paths cross again, Philippians 4:4-10 To read more of Cheryl's work find her on Facebook. If you would like to have Cheryl write a special poem for your loved one, contact her at lulymoon1961@yahoo.com

Revolutionary Same Day Tooth Replacement

We can give you the smile you deserve in one easy visit! Using a non-surgical mini dental implant technique (F.I.R.S.T.), it is now possible to permanently replace anything from a single tooth to a full mouth restoration. Your beautiful smile can be seen in 1 or 2 short visits with minimal discomfort, without destroying healthy tooth enamel and without the long healing time or high cost typically associated with conventional dental implants.

EAT WHATEVER YOU WANT!

New Mini Dental Implant Technology Enjoy secure eating comfort again.

In one short procedure, you can have a stable denture with no surgical sutures nor the typical months of healing.

The MDI System consists of a miniature titanium implant that acts like the root of your tooth and a retaining fixture that is incorporated into the base of your denture.
