How To Save On Your Next Family Getaway

(NAPSI)—The travel industry uses the term “shoulder season” to talk about the slower, cheaper time after school is back in session. The savings are real if you can get a group together not bound by the school calendar or just sneak out of town for one more quick weekend at the beach.

When to Go
Traveling during less popular travel times can help save

money and avoid crowds of summer tourists. Early fall is a great time to hit the beach while it's still warm out. In fact, prices are poised to drop nearly 30% for vacation rental homes in some popular beach towns while temperatures remain balmy, according to data from Vrbo, the go-to for families and friends to book vacation homes, cabins, and condos.

“Shoulder season refers to off-peak travel times, and while there are no official dates for the start and end of shoulder season, owners of Vrbo vacation homes tend to set their nightly rental rates to drop right after Labor Day,” said Melanie Fish, Vrbo travel expert. “Shoulder season offers so many benefits: reduced vacation rental home prices, more selection available, less crowded beaches, the list goes on.”

Where to Go

From sought-after eastern shores to a popular Gulf beach town, top spots to visit during shoulder season where your dollar can go further include Ocean City, New Jersey; Sunriver, Oregon; Cape Cod, Massachusetts; Myrtle Beach, South Carolina; and South Padre Island, Texas.

An example of the price drop on vacation homes is Sunriver, Oregon, where prices historically drop as much as 29% lower per night with average nightly rates dropping from \$401 per night in August to \$285 per night in September. Sunriver is a great destination for families with activities such as biking, kayaking, and horseback riding.

If you're seeking a more traditional beach vacation, check out Myrtle Beach, South Carolina. Average nightly rates for vacation homes in the area are

dropping from \$255 per night to \$193 in September, or 24% lower on average. Experience endless summer with warm temperatures continuing into fall. The area is also a great destination for golfers, with courses designed by famous golfers, including Arnold Palmer, Jack Nicklaus, Robert Trent Jones, and Greg Norman.

Where to Stay

Staying in a vacation rental home is a great way to save by splitting the cost of one nightly rate versus booking multiple hotel rooms, and cooking meals in a fully equipped kitchen to cut costs of eating out. Not to mention the additional space to spread out and relax after a day in the sun. The whole family can sit around the living room to decompress, play a boardgame, or watch a movie together.

More Ways to Save

• Look for free things to do. Do the research ahead of time, looking for free concerts and other events. Many museums and zoos often offer free admission times, especially for kids.

• Don't eat out every day. Visit local markets and food stands for fresh ingredients to make your own meals in your vacation rental. You can experience the local cuisine and find recipes to try at home!

• Avoid buying souvenirs. Oftentimes the things we buy on vacation end up in a drawer somewhere that you'll never use; instead, take lots of photos or choose a special shell to remember your trip.

Jack D. and Brother Jim

Sharing The Joy

Poetry By Cheryl Murph

May I introduce myself, my name is Jack D. I have a very close friend whose name is Jim B. Due to certain stipulations I will not give my entire name but I feel for certain the ones old enough to read this surely will know of me. We have a way of helping relieve stress once we get into your mind. No matter where you may plan to venture out to you can bet me and my buddies are very easy to find. However, we are not bothered for anyone's behavior such as loss of temper, abuse, murder or any other careless or violent act. Those that choose not to like us spread rumors that we are dangerous! Although our side effects of causing wrecks, casualties, and DUI's are a fact! I must admit our companies are delighted to see you spend your hard earned dollar to hang out with us as often as you can. In reality we show no partiality to the rich, the poor, the young or the old. We have a countless mix of all people and billions in whom are our greatest fans. I suppose as long as the world stands we will never have to worry about our distributors going broke. Because believing everyone will wise up and see us for who we really are is nothing more than a practical joke! So drink up my friends and remember how good we make you feel. You may loose your job, your home and your family but hey, to trade that to be with us, I must say is one heck of a deal! As long as you got the money we got the time. PLEASE NOTE: We are not responsible should you get a fine or create a crime. Non-Respectfully yours, Jack D

Remember til our paths cross again, Philippians 4:4-10 To read more of Cheryl's work find her on Facebook. If you would like to have Cheryl write a special poem for your loved one, contact her at lulumoon1961@yahoo.com

NEW 2019 RELEASE ★ 99.9% PURE SILVER ★ WORLDWIDE DEMAND

It's here! The U.S. Mint's newly released, much-anticipated 2019 American Eagle Silver Dollar. Each new-for-2019 coin contains ONE Troy ounce of 99.9% pure silver. As legal tender silver bullion coins, they are backed by the U. S. Government, assuring their content, purity, and intrinsic value. Now by acting fast, you can acquire this world-wide collector-favorite silver bullion coin for just \$49.99! That's quite a value versus the regular price of \$99.99 (plus \$9.99 shipping and service, plus sales tax). Sculptor Adolph A. Weinman's beloved Walking Liberty imagery adorns the obverse, while the reverse bears John Mercanti's heraldic eagle. In previous years, the U.S. Mint actually ran out of these coins for a while ... and it could happen again. This could be your only chance to claim the 2019 edition of America's bullion treasure in Brilliant Uncirculated condition at this special price, so act now!

REPLY NOW!

How can we offer you this genuine 2019 American Eagle Silver Dollar at an incredible 50% off? Because we know that once our customers see just one of these stunning 99.9% silver coins for themselves, they'll want to purchase additional coins in the collection at the regular price. This could be your only opportunity to claim a 2019 American Eagle Silver Dollar at this special price. But hurry, this is a limited time offer!

*For information on sales tax you may owe to your state, go to bradfordexchange.com/use-tax

*FREE shipping and service, plus sales tax for your first issue; see bradfordexchange.com. Please allow 4-8 weeks after payment for shipment.
