Washerette

Sharing The Joy
Poetry By Cheryl Murph

Sandra believed in God and she had also experienced through Jesus Christ how much better her life was when she made time for him. A time to meditate on his word, a time to pray and a time to be inspired by her sisters in Christ, Beth and Kim. Being a single parent like Sandra, she fully understood the old saying, when it rains it pours! Her work and her home life together were rapidly taking a tow. And she knew she wasn't reading God's word like she had before. After work and supper one evening Sandra was in desperate need to wash her and the kids some pants and shirts. So after loading her machine and turning it on, it made a funny noise. Her twenty five year old washer no longer worked. The evening was still early so Sandra left the kids at home while she made her way to the washerette down the road. She decided to take along her Bible that way she could spend time with her Lord while waiting on her loads. No one else was around, not one person in sight. As Sandra sat down and opened her Bible, she witnessed a remarkable encounter that night. From out of nowhere a poor, dirty and homeless looking man stood before her very eye's. He simply ask, what book are you reading ma'am? And after answering him, she couldn't help but wonder why? Then he told Sandra no matter what she needed to finish that book. And in a flash as quickly as he came, he left. In amazement she stood up and turned around to look. She knew this man was an Angel to encourage her along although she never knew his name. Sandra finished the book of Job, and as hardships hit her family not a one of them was ever the same. But God knew exactly what was coming and he sent one of his own to show her the way. Now When hard times hit Sandra, she is always reminded of the book of Job and her amazing encounter that happened that day.

NEW 2019 RELEASE ★ 99.9% PURE SILVER ★ WORLDWIDE DEMAND

It's here! The U.S. Mint's newly released, much-anticipated 2019 American Eagle Silver Dollar. Each new-for-2019 coin contains ONE Troy ounce of 99.9% pure silver. As legal tender silver bullion coins, they are backed by the U. S. Government, assuring their content, purity, and intrinsic value. Now by acting fast, you can acquire this world-wide collector-favorite silver bullion coin for just \$49.99*! That's quite a value versus the regular price of \$99.99 (plus \$9.99 shipping and service, plus sales tax). Sculptor Adolph A. Weinman's beloved Walking Liberty imagery adorns the obverse, while the reverse bears John Mercanti's heraldic eagle. In previous years, the U.S. Mint actually ran out of these coins for a while ... and it could happen again. This could be your only chance to claim the 2019 edition of America's bullion treasure in Brilliant Uncirculated condition at this special price, so act now!

REPLY NOW!

How can we offer you this genuine 2019 American Eagle Silver Dollar at an incredible 50% off? Because we know that once our customers see just one of these stunning 99.9% silver coins for themselves, they'll want to purchase additional coins in the collection at the regular price. This could be your only opportunity to claim a 2019 American Eagle Silver Dollar at this special price. But hurry, this is a limited time offer!
