THE GIVING IT BACK AND PAYING IT FORWARD REAL ESTATE NEWSLETTER

**WELCOME** to the month of **Love!** Valentine's Day is a special day for love, but I do believe everyday should be a day of love. To be

kind and loving to our family, friends and even strangers. Random acts of kindness are a display of love for your neighbors and those you know need help, like the mission and vision of WAYS for Life. The staff, our Board of Directors, volunteers and donors express love in what they do every day to help the members at WAYS for Life.

My favorite Love Description is from 1 Corinthians 13: Love is patient, love is kind. It does not envy, it does not boast, it is not proud. It is not rude, it is not self-seeking, it is not easily angered, it keeps no record of wrongs. Love does not delight in evil but rejoices with the truth. It always protects, always trusts, always hopes, and always perseveres.

## A Real Estate Company that *Gives Back!*

### WAYS for Life is Making a Difference Today and for Tomorrow!

As part of our Go Serve Big mission statement, we are on a mission to raise \$25,000 for WAYS for Life, a drop-in center that provides Wraparound Youth Services (WAYS) to help teens and young adults avoid homelessness and crime. WAYS for Life assists youth in removing barriers to their success by utilizing lifeline support networks. They help youth find resources and creative solutions to issues such as housing, legal, employment, a life skills program, education, transportation, health care, wellness, and counseling. The caring staff understand that until immediate basic needs are met, it is nearly impossible to contemplate the future. We believe all youth should have equal opportunities for a successful future.

#### Exciting news from WAYS for Life!

LiftUp Life Skills begins the second semester, "Create Your Life Plan" on February 13th! This class is based on more in-depth learning based on our Wheel of Life. Students will be creating their Life Plan during the last few weeks of the semester to include their overall vision for their life, vision and goals for each area of the Wheel of Life and how they plan to accomplish each goal. LiftUp students also read 15 INVALUABLE LAWS OF GROWTH and 7 HABITS OF HIGHLY SUCCESSFUL PEOPLE. As part of our Community lessons, we will serve meals at The Daily Bread and pack meals at The Children's Hunger Project. This semester will culminate with a celebration of their accomplishments. They also have the opportunity to receive a match of up to \$3000 of what they have saved through our Financial Wellness classes and one-on-one meetings with the WAYS Financial Coach.

You and your referrals mean more than ever to my team and I. As we move forward through the year, please know we are extremely thankful for you and you being a special part of our business.

With all my appreciation, Lisa Soloway, Your Home Sold Guaranteed Realty,

*Lisa*

## Why I Support WAYS for Life

In 1999, my husband, Pete, and I decided to help a child (or two) that needed a loving home and family. We went to a foster and adoption meeting and signed up to take 9-weeks of classes, do a home study, background checks and take more classes while we waited. In 2002, we met our daughter, Tiffany, and adopted her after 9 months of living with us. She was 8 years old and in the foster care system for four years. During our classes, we learned how many children never get a forever home, and at the age of 18, they are out on the streets with nowhere to go and no one to help them. That is NOT acceptable to me!

When we moved to Florida in 2014 as empty nesters, I was determined to do something to help these teens and young adults. This is why I am passionate about helping WAYS for Life with my time and a portion of my income.
