THE GIVING IT BACK AND PAYING IT FORWARD REAL ESTATE NEWSLETTER

Welcome to the month of April! By the time you are reading this, you will be deep into it. That means I can't play any April Fool jokes on you lol. Never been a fan of those anyway. When I was a kid, I thought April Fool's Day was a joke, although I do enjoy a funny joke that is clean and fun! If you have any good ones, send them to me in an email so I can add it to a list of funny jokes. I get great joy out of laughing and seeing others laugh. A good laugh is good for our health and a really good one can give you a little ab workout. Have you ever experienced that? I have! I promise if I use it, I will give you the credit!

Another BIG deal in April is TAX day! Yep! Deadlines for filing those personal income tax returns. I don't think most people mind paying taxes as long as they are being put to good use. I think it's the waste that bothers most citizens.

Both days I mention above are for sure conversation starters, one full of funny stories, the other maybe not so much, but there are few days as memorable than the day you buy your dream home. That day is supposed to be fun, exciting and a great feeling of accomplishment. That's what I work for when I help buyers and sellers!

WAYS for Life is Making a Difference Today and for Tomorrow!

As part of our Go Serve Big mission statement, we are on a mission to raise \$25,000 for WAYS for Life, a drop-in center that provides Wraparound Youth Services (WAYS) to help teens and young adults avoid homelessness and crime. WAYS for Life assists youth in removing barriers to their success by utilizing lifeline support networks. They help youth find resources and creative solutions to issues such as housing, legal, employment, a life skills program, education, transportation, health care, wellness, and counseling. The caring staff understand that until immediate basic needs are met, it is nearly impossible to contemplate the future. We believe all youth should have equal opportunities for a successful future.

MAKING A DIFFERENCE

Providing WAYS members housing, education, employment, healthcare, mentorship, mental health and more!

So When you hear me say "YOUR REFERRALS HELP THE TEENS..." they really do!

When You Put Others First, You Will Never Be Second!

Why I Support WAYS for Life

In 1999, my husband, Pete, and I decided to help a child (or two) that needed a loving home and family. We went to a foster and adoption meeting and signed up to take 9-weeks of classes, do a home study, background checks and take more classes while we waited. In 2002, we met our daughter, Tiffany, and adopted her after 9 months of living with us. She was 8 years old and in the foster care system for four years. During our classes, we learned how many children never get a forever home, and at the age of 18, they are out on the streets with nowhere to go and no one to help them. That is NOT acceptable to me!

When we moved to Florida in 2014 as empty nesters, I was determined to do something to help these teens and young adults. This is why I am passionate about helping WAYS for Life with my time and a portion of my income.
