THE GIVING IT BACK AND PAYING IT FORWARD REAL ESTATE NEWSLETTER

*Every caring Mother
is a Wise Woman*

Just about every May, I sit down to write Homeward Bound, I write about Mother's Day. And why not... it is a very special day for very special people.

My Mom gave me some great advice that I still look back on and share with my kids today. Looking back on these memories makes me smile. My Mom was not just a wonderful, loving mother, she was a great friend to me in my adult years.

Time reveals, in fact, just about every caring Mother is a Wise Woman. I can see why we carve out a special day each year to acknowledge Moms. So here is....

a shout out to all Mom's – Happy Mother's Day!!

I still talk to my Mom to this day! My Mom has been gone more than 12 years and it gives me great comfort talking to her and reminiscing about the many precious moments we shared. I am sure some reading this can relate and have similar stories. For ALL those whose Mom is no longer with us, may you remember the best about them. In addition to that, there are also many who never knew their Mom due to an unfortunate circumstance. Regardless, we can celebrate this Mother's Day knowing Moms both here and no longer here are special in more ways than we can count.

LiftUp had an exciting Auto 102 class taught by our Auto Guru, Ron Lamarre. Graduation is May 23!

In Auto 101 during the first semester, Ron taught the students all about how a car operates, selecting an auto shop, necessary maintenance to keep the car in good condition and everything under the hood.

Auto 102 is about safe driving and a recap of Auto 101. There is also more about expectations, jump starting a battery and the all-time favorite, how to change a tire. Some of us said, I'm calling AAA! The students really enjoyed that hands-on part of the class! I think you can tell by the photos.

If you or anyone you know is considering making a move, we would like to offer them a FREE No Obligation Market Analysis that will give them a real idea of what they can expect to sell their home for. Just like we are thankful for you and your business, I am confident your referrals will be thanking you for steering them in the right direction on getting their home sold!!!

WAYS for Life is Making a Difference Today and for Tomorrow!

As part of our Go Serve Big mission statement, we are on a mission to raise \$25,000 for WAYS for Life, a drop-in center that provides Wraparound Youth Services (WAYS) to help teens and young adults avoid homelessness and crime. WAYS for Life assists youth in removing barriers to their success by utilizing lifeline support networks. They help youth find resources and creative solutions to issues such as housing, legal, employment, a life skills program, education, transportation, health care, wellness, and counseling. The caring staff understand that until immediate basic needs are met, it is nearly impossible to contemplate the future. We believe all youth should have equal opportunities for a successful future.

MAKING A DIFFERENCE

Providing WAYS members housing, education, employment, healthcare, mentorship, mental health and more!

So When you hear me say "YOUR REFERRALS HELP THE TEENS..." they really do!

When You Put Others First, You Will Never Be Second!

The WAYS for Life, LiftUp Life Skills will be graduating another group of students from their two-semester, 30-week program May 23rd!

The LiftUp Life Skills program teaches every topic with three core values: financial wellness, healthy relationships and self-advocacy to give the students skills to thrive as adults.

During our current semester, the students read two books as part of our personal growth program: The 15 Invaluable Laws of Growth by John Maxwell and The 7 Habits of Highly Successful People by Stephen Covey. They also participated in two community service programs. This year, students volunteered during the WAYS Race to Independence 5k at the end of March. Mid-April, students and some of the LiftUp teachers planned fun activities for the residents at Promise of Brevard. We all had a great time and the residents asked us to come again and the students also thought that would be a great idea. We had lots of fun, which makes a difference by giving back to our community!

The semester ends with students creating a Life Plan with a vision, goals and objectives and a bucket list to address our Fun spoke in our Wheel of Life. If you would like to learn more about LiftUp at WAYS, call, text or email me.

You and your referrals mean more than ever to my team and I. As we move forward through the year, please know we are extremely thankful for you and you being a special part of our business.

With all my appreciation, Lisa Soloway, Your Home Sold Guaranteed Realty, *Lisa*

P.S. WAYS means Wrap Around Service, and the staff lives up to this through all the programs offered by staff and volunteers! Check out the many WAYS members grow and aspire to better ways of life @ waysforlife.org

Why I Support WAYS for Life

In 1999, my husband, Pete, and I decided to help a child (or two) that needed a loving home and family. We went to a foster and adoption meeting and signed up to take 9-weeks of classes, do a home study, background checks and take more classes while we waited. In 2002, we met our daughter, Tiffany, and adopted her after 9 months of living with us. She was 8 years old and in the foster care system for four years. During our classes, we learned how many children never get a forever home, and at the age of 18, they are out on the streets with nowhere to go and no one to help them. That is NOT acceptable to me!

When we moved to Florida in 2014 as empty nesters, I was determined to do something to help these teens and young adults. This is why I am passionate about helping WAYS for Life with my time and a portion of my income.
