THE GIVING IT BACK AND PAYING IT FORWARD REAL ESTATE NEWSLETTER

As we gather around the table this Thanksgiving, I want to take a moment to say how truly grateful I am for you — my clients, friends, and community. Your trust, support, and referrals make everything I do possible, and I'm so thankful to help you and your families find the places you call "home."

Thanksgiving has a rich history that goes back to 1621, when the Pilgrims and the Wampanoag people came together to celebrate a successful harvest — a day of gratitude, unity, and community. Centuries later, that same spirit continues as we pause to appreciate the blessings in our lives, both big and small.

This season, I encourage you to take a few quiet moments to reflect on what fills your heart with gratitude. Whether it's family around the dinner table, a cozy home to return to, or the joy of giving back — these moments are what make life meaningful.

I'd love to hear from you! What are you most thankful for this year? Reply and share your gratitudes with me — I'd be honored to celebrate them alongside you.

With heartfelt thanks,
Lisa

Exciting News!

Since 2021, the WAYS for Life drop-in center has occupied the second floor of the building at The Brevard Housing Authority on Guava Ave in Melbourne. Due to the needs of the members, WAYS is expanding their space from 4000 sq. ft. on the second floor to include the first floor for a total of 8000 sq. ft. The GED Fast Track will be moving to the first floor so more members will be able to get ready to achieve their GED. The members and tutors will have quiet, dedicated space and the GED Fast Track staff will also have more space to manage the program. A larger kitchen and space for progressive mental health services will be great for the WAYS members too!

WAYS for Life helps youth find resources and creative solutions to issues such as housing, legal, employment, education, transportation, health care, wellness, and counseling. We understand that until immediate basic needs are met, it is nearly impossible to contemplate the future... and WAYS for Life believes that all young people are worthy of equal opportunities for a successful future.

A Real Estate Company that Gives Back

We are grateful to everyone who chooses our team to help them buy or sell their home because together, WE MAKE A DIFFERENCE! Not only do we give back a portion of our commission, we support the WAYS for Life fundraiser events through sponsorships! You or someone you know can sponsor too:

Upcoming event:

February 21: Canopy of Hope Gala

March 28: Race to Independence

WAYS for Life is Making a Difference Today and for Tomorrow!

As part of our Go Serve Big mission statement, we are on a mission to raise \$25,000 for WAYS for Life, a drop-in center that provides Wraparound Youth Services (WAYS) to help teens and young adults avoid homelessness and crime. WAYS for Life assists youth in removing barriers to their success by utilizing lifeline support networks. They help youth find resources and creative solutions to issues such as housing, legal, employment, a life skills program, education, transportation, health care, wellness, and counseling. The caring staff understand that until immediate basic needs are met, it is nearly impossible to contemplate the future. We believe all youth should have equal opportunities for a successful future.

WAYS for Life Success Story!

Big thanks to Michael with 321Transit!

Navigating the bus system can be overwhelming—especially for youth and young adults trying to figure it out on their own. That’s why we’re so grateful for Michael with 321Transit, who have been amazing partners to WAYS for Life!

Michael has been coming in to provide hands-on, real-life training to help our members understand bus routes, tips, and tricks so they can travel confidently and independently.

Thank you, Michael, for taking the time to guide our members through the complexities of the transit system and empowering them with the skills to get where they need to go!

You and your referrals mean more than ever to my team and I. As we move forward through the year, please know we are extremely thankful for you and you being a special part of our business.

With all my appreciation, Lisa Soloway, Your Home Sold Guaranteed Realty,

Lisa

P.S. WAYS means Wrap Around Service, and the staff lives up to this through all the programs offered by staff and volunteers! Check out the many WAYS members grow and aspire to better ways of life @ waysforlife.org

Why I Support WAYS for Life

After attending our adoption classes, we met and adopted our daughter, Tiffany. She was 8 years old and in the foster care system for four years. During our classes, we learned how many children never get a forever home, and at the age of 18, they are out on the streets with nowhere to go and no one to help them. That is NOT acceptable to me! To witness how love changes everything for a child is such a blessing. Tiffany is now a married mother to energetic Amir and we are grateful she is our daughter. Tiffany has always had great work ethic - she works full-time from home, a few nights a week as a shift manager at Jersey Mike's and she started a business from home. Best of all, she is a great mother, taking care of Amir each day.

WAYS for Life is a program like no other and to be a part of this amazing organization is a blessing. WAYS walks alongside the members and helps them achieve their greatest desires: a GED, Career Path, Jobs, Life Skills, Food and Hygiene items and so much more! If you are interested in volunteering, tutoring, mentoring or making a meal, visit WAYSforLife.org.
