

Easy. Convenient. Secure.

With your busy life, it can be hard to stay on top of your family's health care – even though it's the most important thing of all. **Our online patient portal allows you to communicate with us easily and safely – according to your schedule.**

Using your own secure password, you can log into the online patient portal 24 hours a day, 7 days a week from the comfort and privacy of your home, office, or mobile device.

Our Patient Portal Service Allows You To:

- View and request appointments
- Request prescriptions and refills
- Retrieve test results
- View personal health information
- Update demographic information
- Browse health facts and information
- View your billing statements and balance
- Make secure credit card payments
- Communicate with your doctor by sending and receiving secure messages

Treating the person, not just symptoms.

“THE PATIENT PORTAL IS A GREAT MEANS OF COMMUNICATION

(I just retrieved my bone density test results).

I'm not very proficient on the computer, but it was easy.”

“I AM SUPER IMPRESSED

with this site, appreciate the paperless option, the immediacy of the information. Great.”

“THIS PORTAL IS GREAT.

Easy to use for paying bills, seeing appointments, etc. Many thanks for setting it up and making it available to patients!”
