

NSD

Competition Team Newsletter

Competition Season is in full swing! We have only 7 weeks of dance until dress rehearsal

Competition Costumes:

Competition costumes have been posted to your account and are currently due. Please complete all payments at your earliest convenience so that we may begin customizing them. If you are unsure of your balance, please call the studio.

Adornment Fees:

As always, most of our competition costumes will have additional adornment fees. Adornment fees will be added as costumes are competed and will be due by dress rehearsal.

Account Balances:

Please make sure your accounts are up to date. Accounts that are passed due will result in placing any competition and or technique privates on hold until payment is made.

Costumes Spec Sheets:

We are currently working on costume spec sheets. As in the past we will create one sheet with every competition number on it. This will be in plenty of time for dress rehearsal.

Competition Dress Rehearsal:

Will be held at the studio for all solo, duet, and trio pieces on **Friday, March 1st @ 6:30pm and Saturday, March 2nd @12:30-3:30pm** for all competition group pieces.

Spirit Week March 11th-March 15th:

We invite all dancers to participate in spirit week to support our competition dancers as they begin a new competition season!

Monday, March=11th – Pajama Day **Tuesday, March 12th**- Wizard of Oz Day (dress like your favorite character)

Wednesday March 13th Black & White Day (just like in the movie before Dorothy arrived in Oz!) **Thursday 14th** -

Dorothy pigtail Day **Friday March 15th** -NSD spirit wear/camo day, **Saturday March 16th** Emerald City Day (wear green for luck!)

Attendance:

Please adhere to the attendance policies as outlined in the competition manual. All missed technique classes must be made up. If you miss a choreography class, you are responsible for learning any additional choreography on your own. We strongly encourage all our dancers to make attendance in all classes a priority.

Community Service:

We have community service hours available for anyone who wants them. Please call the studio if you are interested. Most High Schools offer scholarships for those who accumulate the most community service hours.

Nationals:

NSD is attending Kar Nationals this year 7/7-7/12 at Foxwoods Resort! Please confirm your attendance by 1/31/19.

Questions:

As always please call the studio with any and all questions.
