## **Arrive 2 Hours Prior**

Please make sure to arrive 2 hours prior to your scheduled performance time. If you are performing early on any of the days please double check when the doors open. Please remember this competition is an outside venue not run by NSD, they may run early or late and may bounce around from number to number. As always, we are at the mercy of their scheduling.

Please arrive on time, dressed in NSD spirit wear, and hair and makeup complete. Make sure to bring your own makeup, extra tights, all shoes and hair accessories (ex. brush, bobby pins, and hairspray). Please remember we are not using donuts or hot buns in our hair. Please follow all instructions on your spec sheet with regards to hair style. It is not your teacher's responsibility to do your hair and makeup. **All ponies must be flat ironed.**

All dancers should be responsible for warming themselves up and running their routines with their music. Of course the teachers will run your dances as well. Dancers must know their routine number and have knowledge of the progression of the competition in order to arrive backstage on time. Once you have checked in with your teacher and group you must remain with the group until the end of your performance.

## **Awards**

All dancers must stay to receive their award dressed in their NSD Lululemon Jacket. If you do not have a Jacket any NSD camo shirt may be worn. Additionally, all dancers must wear black leggings and sneakers. NO pajamas, slippers, or crocs are to be worn on stage. Each dancer in a solo, duo, or trio may stand up to receive their award and take it home with them. One dancer from each group will be selected by the teacher to stand up to receive the group award and be brought back to the studio to be displayed. Please be advised that we have opted out of KarTrophies this year so that the money could be donated to DAC ( Dancers Against Cancer)

## **Cash Awards**

In the event that a routine wins a cash prize any solo, duo, or trio will split the winnings and be applied to their account. If a group piece wins the money the earnings will go to the studio for future fundraising events.

KAR has asked us to remind the parents that photographing and recording of the competition is prohibited.
