

North Shore Dance

Spring Performance

As we gear up for our end of the year recital, we can't help but feel grateful and appreciative to have given our dancers a happy and healthy place to socialize and express themselves through dance. We kindly thank our dance family for trusting us with their children and following studio guidelines, to ensure a positive environment for all. Although this year's recital may look different from years past, the overall experience will remain the same, if not more memorable and certainly more emotional. We are very fortunate to have found a beautiful, spacious venue to showcase our dancer's talent this June.
