

FROM LEARNING TO LEADING: THE NEW ERA JOURNEY

2024 Milestones:

Launch in Charlotte

Established foundational programs addressing critical community needs.

Community Partnerships

Built collaborations with schools, businesses, and organizations to expand impact.

Hurricane Helene Relief Efforts

Led disaster relief initiatives, providing essential supplies, food, and ongoing volunteer support for cleanup and recovery in impacted communities.

Long-Term Vision:

- ⊙ Become a leading force in youth empowerment and community development.
- ⊙ Establish a replicable model for education and mentorship that can be expanded to major cities.

2025 and Beyond:

Regional Expansion

Grow our reach to surrounding areas, adapting programs based on community needs.

Innovative Program Development

Introduce new workshops and career pathways aligned with evolving industry trends.

Foster Care Initiative

Develop a specialized program supporting teenagers aging out of foster care with life skills and career readiness.
