Mission Statement

Cultural

The F.H.A.S.N.E. is the proud coordinator of several Hellenic-American community celebrations including the annual Greek Independence Day Parade in Boston. This event attracts thousands of community members and brings together people from throughout New England.

Our annual Dinner Gala boasts over four hundred attendees, includes dignitaries and political leaders from both the New England area and Greece, and serves as a fundraiser for our events.

The F.H.A.S.N.E. heads the creation of the [Hellenic Library for Children](#), a unique project to help children maintain and build the connection with the Greek language and traditions through the use of appropriate Greek books, videos, CD's, DVD's, games and puzzles.
