

OUR DATA 4908 SPEAKS VOLUMES

What does this mean? It means that, as a publication audited by Circulation Verification Council (CVC), we have a clear understanding of our impact, including the number of households we reach, how much we're read and our influence on purchasing decisions. When it comes to serving readers and advertisers, CVC is the standard.

OUR DATA 4908 SPEAKS VOLUMES

Circulation Verification Council (CVC) audits 2,200 publications across North America to measure receivership and readership. A CVC audit is a benchmark of performance and service. We're proud to announce that we're in the top 5 percent of audited publications, a true reflection of our commitment to our readers and advertisers. There are standards of performance. And then there's Gold.
