

COVENANT OF CONDUCT

Participation as a future “Sojourner” in the *Inspire!* Weekend demonstrates a desire to encounter principles which lead to a life full of inspiration and vision. You should conduct yourself in a manner appropriate to a potentially life-transforming event.

Our time together will be short. We all need to focus and avoid distractions so that all Participants can get the most from the experience.

You will be in the company of lots of volunteers, many of whom are business leaders and prominent people in the community. Please be respectful of these people, who have pledged hours of time before and during the *Inspire!* Weekend to serve you, the Participant.

1. Turn your cell phone and other mobile devices OFF and don't carry them with you. A telephone will be available for you in case of emergency.
2. Don't bring a radio, MP3 player, iPod, iPad, computer, or CD player. We – meaning Leadership Table, Inc. -- have the right to confiscate such equipment until the end of the *Inspire!* Weekend. We'll provide the music. You provide the voice.
3. You can't use a camera or other recording device. We confiscate those, too.
4. You may not consume or possess alcoholic beverages, illegal drugs, or marijuana, and you may not abuse prescription drugs.
5. We do not tolerate any sexual conduct or illicit behavior.
6. You can smoke, but only in certain outdoor places and only at designated times.

If you are asked to leave because you broke the rules, you will not get your money back, and your Sponsor will not get a refund, either.

We reserve the right to bring criminal or civil charges for property damage, either on our own behalf or for the benefit of the owner of the facility where we host the *Inspire!* Weekend.

Be prepared to have a great time, to learn, to share, to enjoy yourself. You are the reason the *Inspire!* Weekend exists. Your agreement to follow these basic Rules makes the event great for everyone.

Thank you!
