A letter from the Head of School,

Dear Friends of St. Matthew's,

Each year, St. Matthew's Episcopal School embarks on a campaign called the Annual Fund. The Annual Fund along with other fundraising activities, helps to fill the "excellence gap" – the difference between tuition and the actual cost of the St. Matthew's education. Currently, the gap is about \$1,850 per student.

Gifts to the Annual Fund are unrestricted, meaning that the funds may be used in ways the Board and Administration determine to be most beneficial to the school. In the past, Annual Fund donations have been used to fund improvements in teacher compensation and benefits, relevant professional development, curricular updates, and campus improvements.

I enjoy bragging that 100% of St. Matthew's faculty, staff, and Board participate in the Annual Fund. I hope you will thoughtfully and prayerfully consider making a gift to the 2018-2019 Annual Fund. The size of the gift is not nearly as important as the symbolic gesture your donation makes. The only gift that is too small is no gift.

Please consider donating to the 2018-2019 Annual Fund to support St. Matthew's education.

Warmly,

S. Myers McAllister
