

TUITION FOR THE 2020-2021 ACADEMIC YEAR

The successful education of a student at Saint Matthew's Episcopal School depends on a positive relationship between the school and families. To nurture and sustain a successful working relationship, both parties in the partnership must fulfill specific obligations and expectations. Saint Matthew's receives minimal funding from local or state government and none from Saint Matthew's Episcopal Church or the Episcopal Diocese of Louisiana. The primary source of revenue is through tuition. Tuition payments must be made according to the "Enrollment Contract" signed by each family so that payroll and other school financial obligations are met on time.
