Dear Friends of Saint Matthew's,

Unlike previous years, this year's Saint Matthews Fund drive falls during a time filled with turmoil and stress. Hopefully, everyone is making progress in the recovery of Hurricane Ida as well as the pandemic. The operation of our school continues and the gap between what is paid in tuition and what it costs to operate this school still exists.

I understand that you may be struggling to keep your day-to-day life running at this time, so please don't worry if our fund is not something you can take on right now. If that's the case, please let me know if there's anything I can help **you** with. We would be so grateful for any amount you are able to contribute. Your contributions will allow us to continue to operate a school where our children feel safe, loved, and celebrated.

It has been so inspiring to witness our community come together and support one another during this time of need. I'm so grateful to live and work in Terrebonne Parish. This is truly one of the most wonderful places in the world to live. I am still very happy to have returned home.

Sincerely,

Tom Soudelier
Head of School
