

INTRODUCTION TO AW20 ELOMI

Matilda

Cate

Eugenie

Charley

LIVE...WITHOUT BOUNDARIES.

A stripped back shoot for the AW20 season, we wanted to focus on the expression, energy and movement of Elomi.

DESIGNER'S NOTES

Taking the top spot this season is Eugenie in Black. We know our Elomi following loves a worn-to-be seen number, so with Eugenie's on-trend strapping detail and gilded metallic embroidery, this collection is oh so perfect to peep out of a plunging neckline or under a sheer shirt. We've updated a handful of our signature offerings too for AW20. Matilda is available in Rose pink, Charley can be found in Navy and Jet, whilst the ever Elomi faithful Cate is available in a rich Raisin colourway.
