The undersigned Applicant requests LPD Dust Control LLC. to make **two** dust suppression treatments at the location noted above, in compliance with the county requirements, and agrees:

- DEADLINE FOR SIGN-UP IS April 15th 2026.** Applications MUST be received by this date to receive the first treatment.
- Applicant shall measure the area to be treated accurately, and maintain flags marking the boundaries of that area. **Flags must be in place by May 1st and remain in place and visible until October 15th.** First application will begin May 20st and Second application will begin July 22nd. Failure to maintain flagging may result in dust control being bladed through. Neither the County nor LPD DC assumes any liability if flags are not in place and visible. If flags are not visible, LPD DC may apply the treatment using reasonable judgment, or cancel the treatment.
- Applicant affirms having read the County's Dust Control Policy, and acknowledges that the County reserves the right to blade the treated area if it is deemed necessary for protecting county infrastructure or public safety.
- LPD DC does not guarantee the performance of the dust suppression treatments. Factors beyond reasonable control, such as weather, surface preparation, or heavy traffic patterns, can adversely affect the treatment.
