

# An online mental health assessment that (**finally**) gets to the bottom of it.

## ACCURATE RESULTS

Our thorough approach to testing ensures that results spanning 60+ conditions are reliable, valid, and representative of YOU.

## PROVEN, MEDICALLY-BASED

MindMetrix was created by a team of trusted psychiatrists and psychologists who use the assessment in their practice.

## EMPOWERS INDIVIDUALS

Partner with your provider and take control of your mental health treatment with the comprehensive MindMetrix Report PDF.

## ACTIONABLE RECIPE FOR TREATMENT

Clear, clinically-relevant insights that guide next steps and spark meaningful discussion on your care.

## SECURE & ANONYMOUS

We take data privacy seriously. We are HIPAA compliant, and your data stays between you and your provider.

High quality mental health care starts with *informed* diagnosis.
